

Price Beat Guarantee

As one of Australia's largest distributors for HID Fargo, HiTi, Kanematsu products and more we are always driven to provide the best competitive pricing for our customers.

Should you receive a more competitive quote from an alternate Australian supplier, simply send the quote through to our team at sales@unicard.com.au and it's that simple, we will beat it.

Important Note: The Unicard price beat guarantee does not apply where price is below our cost. Items must be identical. Excludes stock liquidations. An official quotation (including ABN) must be presented with a validity date within the 30 days. Should Unicard be unable to beat the price quoted, we will provide a suitable product/price alternative. Price Beat Guarantee cannot be used with any other discounts and offers.
